TO WHOM IT MAY CONCERN

I have supervised Raihana Shakib Mohammed for a year whiles she worked in the capacity as Health Assistant of Boubai Health Centre. She started working since August 2019 and has worked hard to lift the image of the health centre as one the best health providers in the municipality.

Raihana Shakib Mohammed has an absolute pleasure to work with and always delivers the work assigned to her within time. Besides being a joy to work with her, she is a take-charge person who is able to present creative ideas, communicate the benefits as well as implementation.

I believe that if you give her chance to work in your organization, she will act ethically and professionally and I am very confident that she will be excellent in her job field. I highly recommend Raihana Shakib Mohammed and I am willing to provide more information if needed.

Sincerely,

Nura Abdul Mumin
